

Guidance notes for questionnaire completion and return.

- Whoever completes the survey should do so on behalf of the entire household.
- Please complete in **black** or blue ink.
- If you are struggling with a question, please move on - we would rather receive a partially completed questionnaire than no questionnaire at all.
- Please return the questionnaire before 30th July, in the envelope provided, to either your nearest Steering Group member, as listed overleaf, or to one of the following collection points. **If possible, we want to avoid the cost of postal returns.** However, if this is inconvenient, please mail back in the reply paid envelope.

Please support our local business sponsors as a thank you for their support.

Our last Parish Plan survey generated a **41%** return. This time we know we can **do better!**
Remember the **higher the return the better**, as we want to reflect the views of the whole community.
