**NEIGHBOURHOOD PLAN REGULATION – EXAMINER’S MODIFICATIONS**

Members considered in detailed the modifications requested by the Examiner which reflected the newly adopted Local Plan and the emerging Sites Allocations document. Andrew had prepared a draft incorporating the Examiner’s proposed modifications into the submitted document.

**None of the proposed modifications altered the main thrust and direction of the Plan which held firm.**

**It was unanimously agreed that the Examiner’s modifications be accepted  
JC would advise the Examiner accordingly and copy in Cheshire East.**

The draft Plan was now under the control of Cheshire East Council who would make the requisite amendments.

The Examiner’s comments regarding proposed development on the Gorstyhill golf course site, which were considered to be significant, would be highlighted to Cheshire East with the request for onward transmission to the Inspector dealing with the Haddon appeal.

It was likely that Cheshire East would endorse the Plan to move to referendum stage around the middle of September. Following this, a leaflet would be prepared by the Steering Group for circulation to residents informing them of the current position and referring them to the web site. Banners would also be produced to be placed at strategic locations within the Parish promoting the referendum. It was important that all publicity from now on in was of a neutral nature in terms of prompting residents which way to vote. It was anticipated that a referendum on the Plan would be held towards the end of October 2017 and following this, assuming the referendum was successful, the Plan would be finalised and copies prepared for distribution.

A report on the progress with the Plan would be submitted to the Parish Council on 14<sup>th</sup> September 2017.

**AGREED:** That the next meeting be held on Thursday 21<sup>st</sup> September 2017 at 10.30am.
